MEMORANDUM FOR THE RECORD

SUBJECT: [REDACTED]

STAT

1. Don [REDACTED] called about [REDACTED] He described him as currently working on DIA's SEA desk but being a genuine Middle East expert. [REDACTED] is being transferred in the near future to some command in Norfolk and is considering whether it is worth his while to retire from the Marine Corps and pursue his career as an analyst, with emphasis on the Middle East, which has become his main interest in life. [REDACTED] wanted to know whether "we" would have any interest.

2. I told [REDACTED] that the best thing to do would be to have [REDACTED] send us his particulars and that we would see to it that it was properly shopped around this building. I said it was very unlikely [REDACTED] would be of interest to the IC staff per se, which [REDACTED] understands.
